Small Tank Mixes/Use Rates

From 1 liter to 5 gallons, here's how much you need. Below are the conservative numbers that reflect a preventative state. If you are experiencing "high pressure" from the pests you'll probably want to **double the rates**.

Marrone® Bio Innovations

REGALIA® BIOFUNGICIDE | STARGUS® BIOFUNGICIDE | HAVEN® SUN PROTECTANT | GRANDEVO® WDG BIOINSECTICIDE | MAJESTENE® BIONEMATICIDE | VENERATE® XC BIOINSECTICIDE
